

Dear
Neighbour

Dear neighbour,

I am very sorry for bothering you, but I just wanted to let you know that I was disturbed by your

Dog/s
barking

Doors
slamming

People
shouting

Car
noises

Loud
TV

Loud
music

You may not realise how this affected me/us/my family but:

(e.g. we were unable to sleep,
or other way you were affected)

Thank you for taking the time to consider this issue.
